

TREASURY MANAGEMENT

eStatements

To enroll accounts in eStatements, begin on the dashboard and select the **User icon** in the bottom-left corner. Choose **Account Settings**, select the account you want to enroll, and click **Enroll**. Review and accept the **Terms and Conditions**, then use the checkboxes next to each account to select the accounts you wish to enroll. Click **Save** to complete enrollment.

Important: eStatements are available only from the date of enrollment forward. Any statements dated prior to enrollment must be requested from your Account Officer.

To add or remove accounts from eStatements at any time, select or deselect the checkbox for each account and click **Save**.

NOTE: Only a full administrator can enroll or make changes to business account eStatements.
